# EXTERNAL BEEF ANATOMY

Items needs for this activity: pencil, black colored pencil, red colored pencil, blue colored pencil, and a green colored pencil.

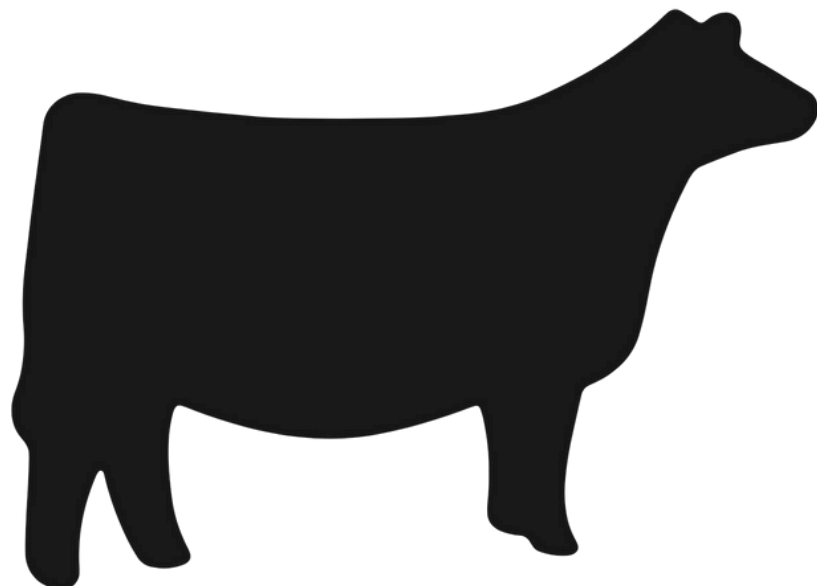

Directions: Complete the following worksheet. First, on the heifer below, label her into 4 regions: Anterior Dorsal, Anterior Ventral, Posterior Dorsal, and Posterior Ventral. Then, on the back of this page, find the external anatomy parts within the word search. BUT - Instead of just circling them with your pencil, you will need to circle them with the color that is assigned to the location that is in the chart below. For example: If "face" was listed, face would be circled with BLACK because it is in the Anterior Dorsal region.

POLL  
SWITCH  
HOCK  
KNEE  
HOOK  
TAILHEAD

AREA	COLOR
ANTERIOR DORSAL	BLACK
ANTERIOR VENTRAL	RED
POSTERIOR DORSAL	BLUE
POSTERIOR VENTRAL	GREEN

LOIN  
MUZZLE  
PIN
