# READING REGISTRATION PAPERS SCAVENGER HUNT

Reading registration papers is essential when looking at an animal's pedigree, whether you are talking about cattle, hogs, or dogs. During this activity, you are going to be looking at a registration paper from the American Angus Association to see if you can answer all the questions below from the papers. The link to the papers you will be using is below. Hint – If you need extra assistance, scroll down on the link, and it will walk you through how to read the papers and what EDPs are showing on a registration paper. Happy searching!

**LINK - [WWW.ANGUS.ORG/PRC/SAMPLEPRCPRINT.HTML](http://WWW.ANGUS.ORG/PRC/SAMPLEPRCPRINT.HTML)**

- 1 – What is this animal's registration number?
- 2 – What is this animal's name?
- 3 – What is the breeder of this animal, and where are they from?
- 4 – What gender is this animal?
